240V / 20W

Recommended globe

12W (Coco) / 8W (Coco Mini) Warm White LED
Halogen and incandescent globes are not to be used

Standard fixtures included

- 1 x 80mm Ø ceiling canopy (black or white)
Silver also available on request
- 2 metres of 1.2mm steel wire & suspension pin
- 2 metres of 2 core flex (black or white)
- 1 x BC lamp holder (black or white)
- 1 x non-dimmable LED globe

Installation

- Must be installed by a qualified electrician
- Ceiling canopy must be fixed to a weight bearing ceiling point
- The pendant is not to be hung in direct sunlight, close to a heating duct or any heat source as timber can move and crack when exposed to rapid changes in temperature

Care and maintenance

- Never use Halogen or incandescent globes as high heat output can cause the timber to crack
- Wipe off dust regularly with a dry, soft cloth
- Never use detergents, abrasives or solvents to clean oiled timber or powder-coated aluminium
