GardenWall

Designed by Tait

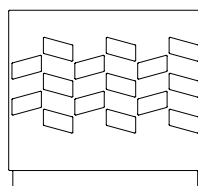

Embrace green living with GardenWall – an innovative and unique design incorporating stackable planters manufactured with lightweight aluminium. GardenWall can be stacked to create a feature installation or screen structure, or positioned as individual units. Available in a choice of colours and varying laser-cut patterns, GardenWall is suited to both outdoor and indoor settings.

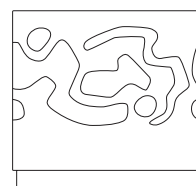

Block
600mm x 230mm x 550mm H
(23.5in. x 9in. x 21.75in. H)

Pebble
600mm x 230mm x 550mm H
(23.5in. x 9in. x 21.75in. H)

Chevron
600mm x 230mm x 550mm H
(23.5in. x 9in. x 21.75in. H)

Terrain (Limited Edition)
600mm x 230mm x 550mm H
(23.5in. x 9in. x 21.75in. H)

Materials

Aluminium.
HIPS recyclable tray insert.
Nylon clips.

Finishes

Aluminium can be finished in a range of UV-stable powder coat colours.

Stacking & Arrangement

Tait recommends stacking GardenWall's planters maximum four high. Structural support by wall or ceiling fixings recommended to stack higher. Metal stability clips are supplied to ensure planters sit in parallel to each other.

Extra Notes

GardenWall can be supplied disassembled. GardenWall is designed to work with standard 140mm or 200mm pot sizes with one to three pots advised per planter.

Care, Maintenance & Warranty

Five-year structural warranty.

Suitable Conditions
