Rope

PRODUCT INFORMATION

3mm Polypropylene VB (venetian blind) cord, a high quality, marine grade braided cord which is strong, lightweight and abrasion resistant.

CARE & MAINTENANCE

For proper cleaning of the rope, use a damp cloth with a solution of warm water and mild soap, then rinse with another damp cloth with water only. Allow to air dry. If the stain is deep or dirt persists, re-wet the rope with soap and water and rub with a soft plastic bristle brush. Rinse and let dry.
