**BINDU**  
*Brian Kane, USA*

**Modern classic.**

Classic conference seating  
that balances comfort and  
performance. Bindu is  
work's new feel.

———— A premium desk and conference seating solution from award-winning designer Brian Kane, Bindu brings a refined softness to offices and meeting rooms without compromising work performances and comfort. The upholstery crafting is exceptional.

———— Bindu offers a clear alternative in look and feel with its synchro-tilt mechanism and flex back, which enables users to fluidly change postures whether collaborating or computing.
