

SOUNDWAVE®
PLANTER
Plant holder
By Mario Ruiz

PRODUCT INFORMATION

Soundwave® Planter is an O₂asis inspired flower box that in addition to functioning together with the Soundwave® system also provides the opportunity to add greenery to public and private environments. O₂asis is a selection of design products that together with flowers and plants increase and add value to interiors.

"Since our selection of acoustic panels is very successful on the market it feels natural to offer architects and clients the possibility to create more functional environments", says Kurt Tingdal, Offecct

"By combining Soundwave's acoustic qualities with the possibilities to integrate greenery by using O₂asis, we look forward to see new exciting interiors", concludes Kurt Tingdal.

O₂asis sustainability

O₂asis is an assortment of design products which together with greenery and plants improves interiors. To maintain the high quality and sustainability and to keep the best surface a flower pot is always to be used inside the products.
