

Furnished Forever

SERRA

F
F

DIMENSIONS: 600 x 1200 x 330 mm
MATERIALS: Rock maple, steel
LEAD TIME: 6 weeks
WARRANTY: 2 year structural

'Serra' is a bold, durable coffee table that introduces a new element to the Furnished Forever aesthetic. The product is comprised of a generous timber top and steel plate underframe that creates an engaging arrangement of space and material. The form of the rolled steel is reminiscent of the American Minimalist sculptor Richard Serra, of which the product gets its name.

The coffee table can be used as a stand-alone product, but was designed to pair with 'Serra Round', providing an interactive and dynamic element as a duo.

'Serra' comes in a textured black, or white, powder coated frame and a white-tinted Maple top. Custom colours and timber species available upon request.

Designed and made in Australia.

Available exclusively through
