PRODUCT INFORMATION

In 2014 Christophe Pillet and Offecct launched the comfortable and timeless collection Ezy. Originally designed for the famous Pullman Paris Eiffel Tour Hotel, the collection is now supplemented with a new easy chair.

"Instead of making something strange, visible and loud, I wanted to make something very normal, simple and elegant. The purpose of the Ezy collection was to make a super functional, normal and long lasting design", says Christophe Pillet about the origin of the Ezy collection.

The successful series is now extended with a new model, a larger, inviting easy chair. The easy chair is available with or without a returnable base.
