

**MURANO**  
Easy Chair  
By Luca Nichetto

## FACTS

# OFFECCT

### PRODUCT INFORMATION

Murano is an equally pretty easy chair which hugs your body with a surprisingly high comfort. The backrest and seat are designed so that you can vary the seat position from active- by moving your back, to move out and relax. In the relaxed situation, you also get more contact with the armrests.

Except of the incredibly high level of comfort, Murano also offers the possibility of hanging a jacket or a computer bag on the backrest.

Murano is upholstered with lacquered frame.

### Benefits & functions

- Can be upholstered in fabric or leather.
