BLOSSI 1

Design: Sofie Refer, 2018. EU-model.

Blossi 1 in mouth blown Clear glass and Nordic Gold finish. Incl. Ceiling plate.

Inspired by the golden light during the Nordic fall, Blossi Collection is designed to give an indirect and soft light.

A special recessed LED provides a soft light reflected in the metallic finish of the shade. Blossi Collection has beautifully rounded glass lampshades that complete the soft appearance.

The Blossi collection has a wide variety of uses and is suitable for both domestic and public spaces.

Blossi 1 works perfectly as a single pendant or more pendants in lines or grouped over a table or desk.
