

# Time Table

## Product Description

A timeless everyday table, for any time, all the time. Distinguished by a refined modesty, the timber frame and legs are crafted to slender profiles from solid oak.

Finely engineered connections allow the chair to be shipped flat packed and assembled without tools using a unique NOMI thumbscrew, which can be tightened using only a coin!

Tops are available with a choice of solid oak timber or Compact Laminate with a variety of colour finishes. Legs come in solid oak, with a variety of colour finishes.

Designed by Tomek Archer
