

Dove Table

Product Description

A versatile and modular table crafted in solid oak, featuring a dovetail-shaped beam that runs underneath the length of the top. The thoughtful design allows the legs to be positioned in a variety of locations as required. This functionality makes the Dove Table equally suitable as a stand-alone table or set up in series to create longer tables or workstations.

Originally conceived as a work bench, the Dove Table is suitable in domestic, office and hospitality environments for its clean lines, solid frame, flexible arrangements and durable finishes.

Tops are available with a choice of solid oak timber or Compact Laminate with a variety of colour finishes. Legs come in solid oak, with a variety of colour finishes.
