RBM u-Connect RBM e-Connect

Contemporary design and functionality. RBM Connect has an architectural quality that can vitalise the creative advertising agency as well as the mobile office and the assembly room. It is an easy-to-use table, mobile, light and flexible. RBM u-Connect has wheels and is easily stacked together and placed against a wall. RBM e-Connect can be collapsed and folded with a simple operation and stacked together flat on a trolley. Practical, isn't it?
