

# Dowel Jones

## Blossom Pendant

Blossom is a new pendant light that uses a soft, arched base repeated across 6 separate leaf pieces to form a conical shape. Made from Polytec Woodmatt Coastal Oak and Bottega Oak as standard materials, Blossom is available a various Polytec finishes upon request. Blossom can blend effortlessly into open spaces such as restaurants, hotels, work environments and education institutions in soft colour-ways, or stand out in bold contrasting materials.

- Multiple finishes available on request
- Standard light fitting for bulb availability
- Standard with 3 metres of cord for hanging
