TBC2 CHAIR

Standard lead time 8-10 weeks
Design by Dowel Jones

The TBC2 Chair is the latest version of the TBC Chair. The TBC2 Chair was designed to explore the unique romanticism of leather furniture, allowing the material to age and mature over a long period of time with the owner. The TBC2 unlike the TBC1 Chair has a floating sling backrest, allowing for the leather to mould to your back over time.

Choose between natural vegetable tanned leathers, or tanned leathers dependent on how you would like the material to age and wear. Leather options include Black, Saddle Tan and Vegetable Tanned leather.
