VOLTA CHAIR

Made-To-Order
Standard lead time 8-10 weeks
Design by RIES Studio

The Volta Collection brings a new approach to Dowel Jones furniture. With its carved solid timber backrest to embrace the sitter's body and circular seat, the Volta Chair explores the possibility of a mixed-material chair. Contrasting against the tubular frame and solid timber seat and backrest are solid brass details, left uncoated to patina naturally with the chair.

The Volta Collection is available in 27 frame colours, and various timber options.
