## VOLTA CHAIR UPHOLSTERED

Standard lead time 8-10 weeks  
Design by RIES Studio

The Volta Collection brings a new approach to Dowel Jones furniture. With its carved solid timber backrest to embrace the sitter's body and its soft upholstered seat, the Volta Chair explores the possibility of a mixed-material chair. Contrasting against the tubular frame, solid timber backrest, and soft upholstered seat are solid brass details, left uncoated to patina naturally with the chair.

The Volta Collection is available in 27 frame colours, and 100's of fabrics options.
