## VOLTA HIGH CHAIR

Standard lead time 8-10 weeks  
Design by RIES Studio

The Volta Collection brings a new approach to Dowel Jones furniture. With its carved solid timber backrest to embrace the sitter's body and circular seat, the Volta Chair explores the possibility of a mixed-material chair. Contrasting against the tubular frame and solid timber seat and backrest are solid brass details, left uncoated to patina naturally with the chair. The Volta High Chair is available in both 650mm counter height, and 750mm bar height.

The Volta Collection is available in 27 frame colours, and various timber options.

Material: Powder Coated Steel, Brass, American Oak  
Dimensions: 490mm X 490mm X 920 (counter height) and 1020mm (bar height)
