VOLTA HIGH CHAIR UPHOLSTERED

Design by RIES Studio

The Volta Collection brings a new approach to Dowel Jones furniture. With its carved solid timber backrest to embrace the sitter's body and its soft upholstered seat, the Volta Chair explores the possibility of a mixed-material chair. Contrasting against the tubular frame, solid timber backrest, and soft upholstered seat are solid brass details, left uncoated to patina naturally with the chair. The Volta High Chair is available in both 650mm counter height, and 750mm bar height.

The Volta Collection is available in 27 frame colours, and 100's of fabric options.

Material: Powder Coated Steel, Brass, American Ash/ Walnut, Upholstery
