

Coppice

Creating personal focus within
busy open-plan spaces

orangebox

Product Description

Coppice is a stand-alone, single occupancy work booth that provides a high level of acoustic comfort, increasing the productivity of those doing focused work tasks.

Where work requires high levels of concentration and focus, Coppice is the ideal solution, offering differently configured personal booths designed to combat noise distractions in the open-plan workplace.

Coppice has been meticulously designed so that a small number of components can facilitate a wide range of configurations, providing varying degrees of privacy to suit different tasks. Five key smart panels can be combined to suit multiple scenarios and offer diverse planning options, each of which allows for the creation of a density of 'private space' within a small footprint.

Coppice work booths offer a stripped-down palette of materials and colours, it's exposed birch plywood panels, finished with a natural lacquer, are complimented by the Orangebox anthracite pressed polyester felt panels. The felt panels not only have excellent acoustic properties, they also obviate the need for additional foams and fabrics on the main boards.

Coppice's simplicity and smart design makes the integration of power and data easy and direct. In all configurations, cables pass between the panels and are free to travel both horizontally and vertically. Ease of access means they can also be retrofitted easily and as cables are concealed in the cavity behind the pressed felt panels, the clean look isn't compromised.

Product Specification

Standard Product Description

Configuration Options: Workbooths, Library Bays or Focus Bays.

Feet: Polished feet as standard.

Felt: Anthracite Grey as standard.

Cable Tray: A cable tray is included with every desktop as standard.

Core Boards: Constructed from Lacquered Birch Plywood. The paper honeycomb core reduces weight, making panels easier to transport and manoeuvre, and at the same time reduces the amount of resources used.

Table Top Finishes:

Melamine – Walnut, Straight Grain Oak, Artisan Oak, Beech, Graphite, White or Grey.

The personal screen can be upholstered in the customers choice of fabric.

Striped fabrics are not available on this product.

Coppice guidelines are available on our website, or you can contact your Orangebox Customer Service Representative or sales@orangebox.com for a copy. When ordering a Coppice configuration, please note that you will need to supply a complete space plan (orders cannot be accepted without one).

Optional Upcharges

Table Top Finishes:

Laminate – White Fleetwood, Natural Davos, Grey Arizona, Thermo Oak or Grey Bardolino.

Laminate Fenix – 2630 Pimobo Doha, 0720 Nero Ingo, 0724 Grigio Bromo, 0718 Grigio Londra, 2638 Titanio Doha, 0725 Grigio Efeso, 0030 Bianco Alaska.

Lighting: Pablo Circa Lamp (White or Graphite) or Pablo Lana Lamp available as an upcharge.

Coathanger: available as an upcharge.

Power: Power options available.

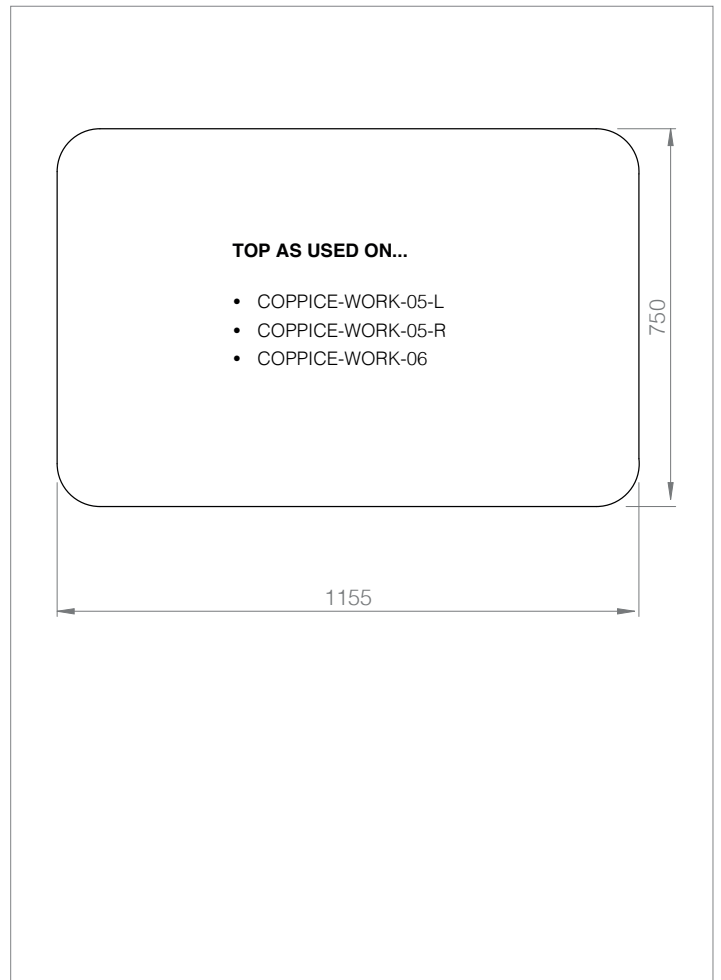

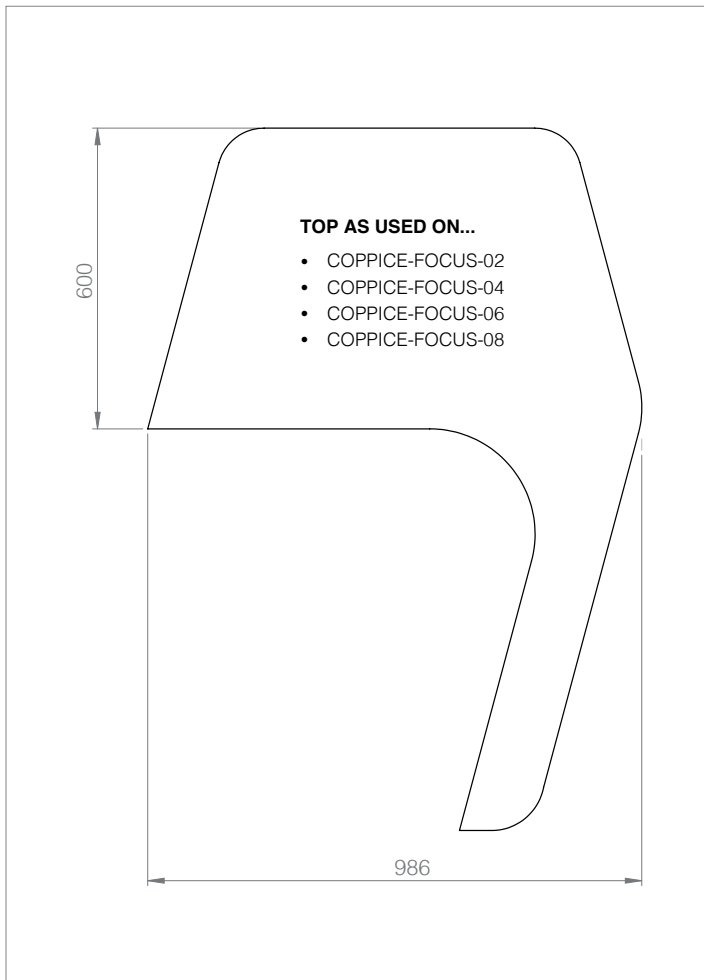

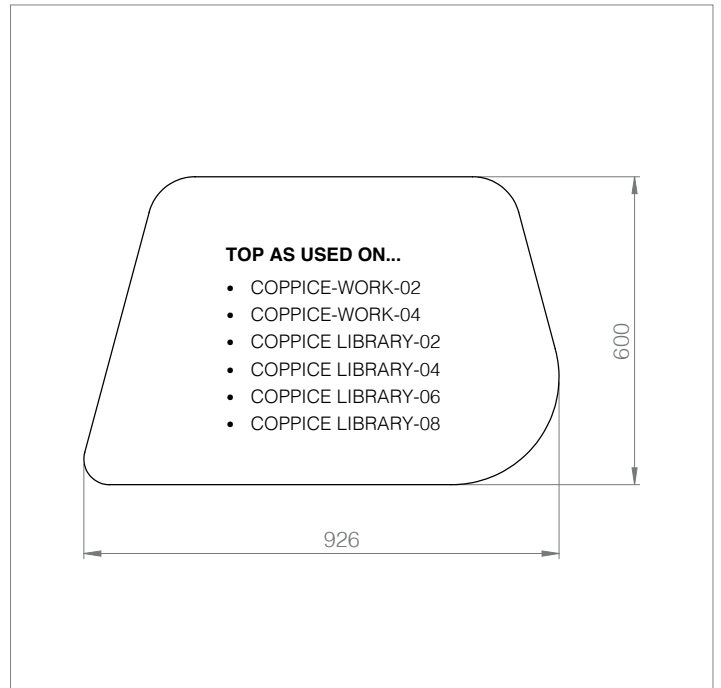

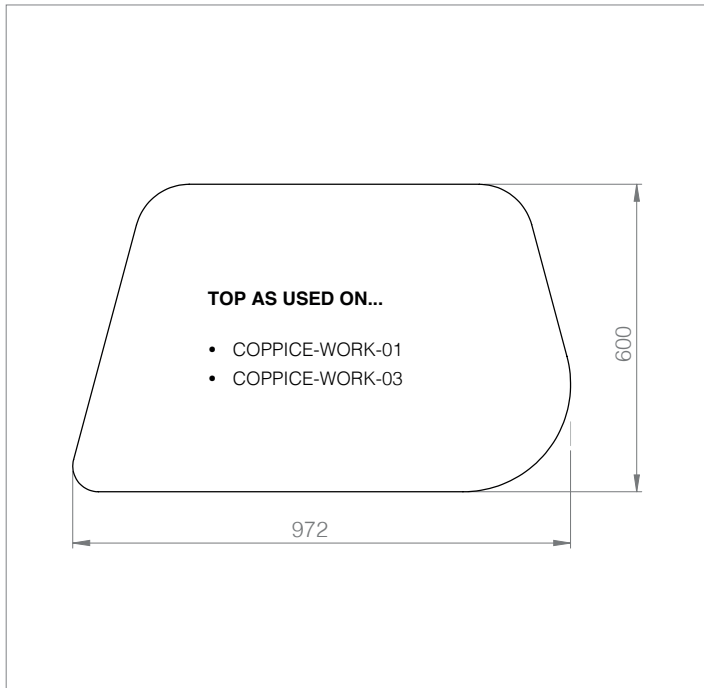

Product Certification

Intertek Sustainability Clean Air Product Certification

Clean Air certification provides proof that products have been independently tested and found to conform to VOC standards and to the ANSI/ BIFMA Furniture Emissions Standards. All Orangebox products* have achieved Gold certification, excluding laminate products which achieve a Silver certification.

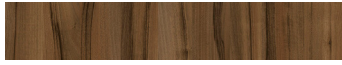

*With the exception of Fielding Tables.
