

u-Connect Product Factsheet

u-Connect

profim

Acer Design a/s, Justus Kolberg, Erik Simonsen

U-Connect is a highly functional folding table that combines contemporary design with unique architectural qualities. The table has castors for ease of movement, and the table top can be collapsed and stacked side by side for storage. The table is mobile, light and flexible, so it's able to boost the energy flow of any creative ad agency, mobile office or assembly room.

A selection of squared table top shapes in several sizes and colours and with alu frame in different colours makes U-Connect table perfect choice for varoius floorplans allowing easy reconfiguration.

u-Connect collection
