OVERVIEW

Elemental Nest & Fold tables have 5 frame colors, with matching colored casters standard. The unique colored legs are adjustable in height from 29" to 40" high. The tables' work surface flips upwards for convenient nesting.

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a 3/8" bumper t-mold or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit. Mounted under the work surface is a 11 gauge steel stiffener for reinforcement.

LEG STYLE

The Elemental leg sets are constructed of 16-gauge steel with a durable powdercoat paint finish in one of five colors. The pull-bar and mounting beam are also constructed of 16-gauge steel.

COLOR MATCHING CASTERS

Casters are included with Elemental Nest & Fold
