

RETREAT 1.0

Technical Specifications

Designed for a private and peaceful drop in space to make a phone call, attend a virtual meeting, or focus on a task, RETREAT 1.0 is traditional in its rectangular geometry and fits neatly into any office space, coordinating with the complete RETREAT range to offer flexibility for workplace design. Standard features include comfortable ventilation, a fixed or drop-down table top, and a built in dimmable VC light that allows the user to create cool to warm skin tones as desired during virtual meetings.

VENTILATION

Low noise, sensor-controlled ventilation system with constant air exchange via top and base outlets with internal fan systems.

ENVIRONMENTAL DATA

60% recycled content to PET.
Sustainably sourced timber FSC timber available on request.

SERVICES

Seamless mechanical services integration with allowances for a sprinkler and smoke detector.

VC LIGHT

Dimmable touch activated

PERFORMANCE

Acoustic materials used for internal and external surfaces provide ambient noise reduction and minimise noise reverberation from the surrounding office.

ACCESS

RETREAT sits flush on the floor with a rubber seal for acoustic protection, there is no step or floor base to incumber entry.

PLUG AND PLAY

Quick connection to mains power using standard sockets.

WARRANTY

7 year structural warranty.

INSTALLATION

RETREAT 1.0 requires 2 men for 2-3 hours.
