TECHNICAL INFO

Structure – Structure in calibrated powder coated steel in thermoreinforcedpolyester in black or white. Black or white injection polypropylene glides.

Stained seat and backrest – Seat and backrest made from natural oak plywood stained with the finishes of our collection.

Upholstered seat and stained backrest – Seat made from plywood covered in non-deformable foamed polyurethane. Backrest made from curved oak plywood stained with the finishes of our collection.

Upholstered seat and backrest – Seat and backrest made from plywood covered in non-deformable foamed polyurethane.

Cushion – Seat and backrest cushion made from 5 mm thick MDF covered in non-deformable foamed polyurethane. There are two cushion models with different widths. The position of the cushions on the bench is predefined by a ser ies of set configurations.

NOTE: This collection offers the possibility of two-colour upholstery, with one colour for theseat and another for the back. In this case, always calculate based on the price of the fabric in the higher category.
