

Caro series

Designed by kaschkasch, Germany

The Caro sofa series of sofas and poufs is a reinterpretation of a classic, designed by the Cologne-based design duo, kaschkasch. Its curved arm- and backrest provide superior comfort, as well as adding an elegant and organic look to the design. The frame is made from durable, FSC™ certified wood and with its firm cold foam filling it is easy to maintain, keeping the expression elegantly precise. It is tested to meet the highest quality standards and will remain a beautiful centrepiece in your interior for years to come.

Meet the designer

Our goal is to create simple and intuitive products – something that isn't over-complicated, yet is still beautiful. We always strive to design no-frill products that still possess a poetic element. We find our inspiration in almost anything. Building sites, fish markets, people, their way of behaving and so on. It isn't just about the surroundings, it's also about the interaction. For us, good design is when it feels like it's never been any different. Something that makes sense when you look at it, or something that gives you an intense feeling of pleasure.
