

Gest series

Designed by Studio Nooi, Italy

Sophisticated sofa by day, luxuriously comfortable bed by night. Gest is a classic lounge sofa, with beautifully crafted details, that features a completely disguised mattress – easily extended in a simple movement that anyone can do. Treat your guests to a full queen- or king-sized mattress with the same comfort as a hotel bed. The large pouf has ample storage room for bedding and has a flat surface that allows you to style it as a coffee table too.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
