### Meet the designer

I am fascinated by art, forms and materials. Graphic art and fashion are also things I get inspired by. I wish I had designed my little Fiat 500. It has a fine and sweet expression, which is easy to fall for. Good design is when there are functional and aesthetic angles, which I know other designers also say. In addition to these two traits, the design must surprise or have some exciting details that make you curious, so you just have to touch, see or try out the furniture. As a designer I'm very curious and extremely happy to be able to work with what I'm passionate about.
