

North series

Designed by Glismand & Rüdiger, Denmark

North is designed by the Danish design duo, Glismand & Rüdiger, and is a classic and timeless sofa with a characteristic wooden frame and elegant craftsmanship details. The clean lines and frame in solid, FSC™-certified oak elevate the design, while also ensuring a solid construction. The cushions are reversible and rest on no-zag springs for optimal comfort. Opt for a classic sofa, corner sofa or with a chaise longue or pouf.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
