

Núvol series

Designed by Ramón Esteve, Spain

With its organic, flowing forms and versatile modular construction, the Núvol modular sofa invites effortless craftsmanship into your home. Named after the Catalan word for 'cloud', this sofa embraces you with its luxurious cloud-like softness, a feeling that will make you feel like you're always on cloud nine. Tailor-make your own Núvol sofa with either removable upholstery fabrics or traceable leather, and choose from a wide range of modules, which can also be used as separate lounge chairs; it gives you the freedom to redecorate and adjust your aesthetic preferences over time.

Meet the designer

Ramón Esteve is an architect and designer. Each project is born with the aim of creating complete environments through the interaction between both disciplines, where design and architecture come together to generate a complete experience for the user. In the field of product design, his work has been recognized with numerous international awards including the Red Dot Design Award and the NYCxDesign Award. He has also appeared on the AD100 list, and in 2018 the Forbes magazine included him in its list of the World's 100 Most Creative People.
