

Pira series

Designed by Joa Herrenknecht, Germany

Pira is an elegant and sculptural series of sofa beds and poufs. Created with the desire to design a functional sofa bed with an aesthetic profile that neither looks nor feels like a sofa bed. Instead, the functionality is hidden away, with concealed storage compartments in the poufs and chaise longue, and a fold-out mechanism of the highest quality, which in one easy movement reveals a comfortable, full-length mattress.

Meet the designer

My design studio is based in Berlin, which is from where my quirky mind comes up with new designs. Materials and colours are what makes crazy and happy, that is what inspires me to go forward. I have an easygoing approach to the design process, which to me, shall always be liberal and fun – that is very inspiring in itself.
