

## Alve series

Designed by BOLIA Design Team, Denmark

---

Alve is a hand-knotted high-quality rug with a soft, inviting and calm expression. Made of 100% uncoloured wool with a cotton warp thread, Alve has a natural quality. The series is also available in several sizes and colours, all of which contribute to creating a unique and inviting backdrop in any room. Alve's soft texture and feel reinforce the subtle reference to nature's tranquility. Alve, like all our other rugs, features the Care & Fair label, which ensures good conditions for the weavers and their families.

### Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
