

## Arke Outdoor series

Designed by Studio Nooi, Italy

---

Arke is a casual outdoor lounge chair with matching pouf, characterised by generous, rounded volumes that can be effortlessly positioned in your garden or patio to enjoy the laid-back summer days. Each module has removable and washable covers and can be connected to create outdoor lounge sofas too. Eye-catching stitching along the curved lines highlight the unique shape and the beautiful, handmade quality. Built to last and upholstered in elegant and durable outdoor fabric that is easily maintained. Designed to make summer even better.

### Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
