

Brida series

Brida is an exclusive rug with a distinctive look. The rug is hand-woven using a very special weaving method, where the pile and loop are staggered, creating Brida's elegant texture and look. Organic cotton is used for the warp thread, and the weft is made of uncoloured linen. Both materials emphasise the natural elegance that Brida radiates. The special weaving technique also gives Brida a unique reflective and lustrous effect, which is especially showcased when seen from different angles. Choose from a range of sizes to create a natural, calm and welcoming atmosphere in your home. And like all our rugs, Brida features the Care & Fair label, which ensures good conditions for the weavers and their families.
