

## Calma series

Designed by Studio Nooi, Italy

---

Calma is a timeless and elegant dining chair with a calm and relaxed character. Crafted with intricate joinery details that create a light and refined look, despite its sturdy build. Inspired by Nordic classics, the design harmoniously blends a minimalistic look and natural materials, emphasising smooth volumes and tactile sensations.

### Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
