

## Calm series

Designed by Ferriani Sbolgi, Italy

---

Calm is a series of poufs useable for the outdoors, but suitable for indoors too. The beautiful traces resembling sand or waves, create a quiet sanctuary while adding an intriguing and still soothing expression to your décor. Calm is filled with quickly drying filling allowing the design to dry up within a few hours, making the pouf a perfect addition to any outdoor – or indoor – space.

### Meet the designer

The Italian design studio, Ferriani Sbolgi, is driven by experiments and a cooperative approach to the design process where both designers agree on a direction and outline before transforming into new creative designs. Their design language is based on sleek silhouettes and clean stripped-down lines and details, and their products seek to communicate a certain emotion with the viewer and user. Each new design is seen as an opportunity for experimentation, and they ascribe fundamental importance to finding materials and ideas that will add value to their final design. They seek the new, the bold and the different, but always with timeless taste and quality craft in mind. A striking balance achieved in an effortless manner shown in their beautiful work.
