

Como series

Designed by Glismand & Rüdiger, Denmark

Simplicity and elegance are shaped and brought to life in various materials and sizes that unite Danish craftsmanship and Scandinavian design. Como features a table top in various organic materials such as solid oak, walnut, laminate, glass, marble and concrete and is available in different sizes and heights, enabling you to blend two together, create a unique material mix or focus on one material in a single colour. It's entirely up to you.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn't a label, it's a commitment in their design-work. It's something to be interpreted in contemporary and new ways, and something to be proudly honoured.
