

## Graceful series

Designed by Michael H. Nielsen, Denmark

---

The Graceful series is a timeless and elegant interpretation of our Scandinavian design heritage that tells a story of great craftsmanship, and most importantly, longevity. Characterised by sleek lines and poetic angles, the Graceful dining table is FSC™-certified and available in both solid oak and veneer. Solid wood is carefully assembled to form a single, solid piece, ensuring a unique grain pattern. Veneer, on the other hand, consists of thin layers of wood bonded to a core material, offering a beautiful finish and great material efficiency.

### Meet the designer

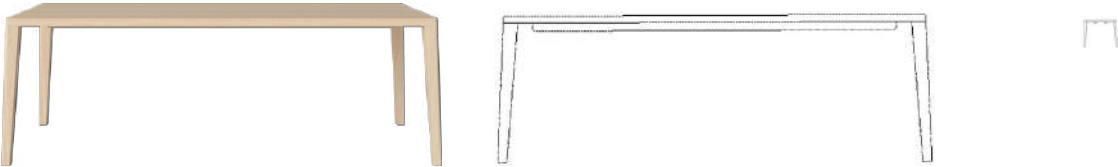

My style is characterized by keeping the focus on the detail and "edge" that separates my designs from the crowd. One of my biggest influences is to register how much diversity there is among people and try to meet the very different needs that it creates. I've always been fascinated by the craftsmanship and the interaction between craftsman and designer. Good design is what gives meaning and value to the people who use it.
