Designed by Studio Nooi, Italy

Crafted with a solid oak frame and an upholstered seat in molded foam, Join seamlessly blends luxurious fabric or leather with smooth oak wood for a continuous, organic look made with refined details. The plush shell is designed to embrace the seated with maximum comfort and support, allowing for long evenings of conversation and laughter around the dinner table.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
