

Kite Outdoor series

Designed by Studio Nooi, Italy

The Kite garden tables and chairs have a light and sturdy build, making them easily moved around your outdoor space – accommodating everything from formal dinners to impromptu celebrations in the sun.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
