Merge series
Designed by Studio Nooi, Italy

A simple but refined dining chair, crafted in solid, FSC™ certified oak wood. Designed by Studio Nooi to be durable both in terms of style and quality – exuding a timeless, soft minimalism and built to last. Smooth and rounded volumes enhance the natural qualities of oak and make the chair a warm and welcoming presence in any dining room. The padded seat can be upholstered in fabric or leathers of your choice, and the seat pad can be replaced if needed, securing a long lifetime.

Meet the designer
Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word "noi", meaning "us" – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi's designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
