

Núvol series

Designed by Ramón Esteve, Spain

With its gracefully organic design language, the Núvol Curved sofa brings a new dimension to the timeless Núvol series. Its flowing form encourages lounging, creating a relaxed and inviting atmosphere in any room – and you'll find yourself falling more in love with it each time you see it. Named after the Catalan word for 'cloud', it surrounds you with soft, cloud-like comfort. Tailor-make your sofa with a changeable cover or traceable leather, allowing you to create a sofa that lasts for generations.

Meet the designer

Ramón Esteve is an architect and designer. Each project is born with the aim of creating complete environments through the interaction between both disciplines, where design and architecture come together to generate a complete experience for the user. In the field of product design, his work has been recognized with numerous international awards including the Red Dot Design Award and the NYCxDesign Award. He has also appeared on the AD100 list, and in 2018 the Forbes magazine included him in its list of the World's 100 Most Creative People.

Specifications

Country of origin	Cover	Producer	Width	Depth	Height
Lithuania	Baize, Dark beige	Actona Lithuania	199,50 cm	111 cm	73 cm
Seat height	Seat depth	Armrest height	Armrest width	Max weight capacity per seat	Wood due diligence
41.50 cm	71 cm	51 cm	31 cm	110 kg	Construction bearing parts, Composite, Plywood, Brazil / Construction bearing parts, Composite, Hardboard, Lithuania
Total Net Weight	EAN	The parcel's measurements			
60 kg	5915957	The parcel's measurements 1: 2.10 m3, 64.7 kg (D 74.0 cm, W 138.5 cm, H 205.0 cm))			

Test and certifications

FSC™ C165134 (Forest Stewardship Council) is an international organisation that advocates for responsible management of the world's forests. FSC-labelled products contain wood materials from forests that meet strict environmental, social and economic standards, helping to protect biodiversity, ecosystems and local communities.

EN 16139 - L1: General use. Furniture - Strength, durability and safety - Requirements for non-domestic seating. EN 1022 - Domestic furniture - Seating - Determination of stability.

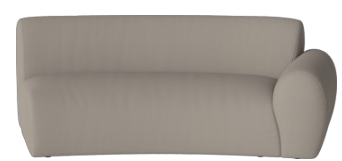

Tested according to the Toxic Substances Control Act - TSCA Title VI - to ensure wood-based materials do not emit excessive amounts of formaldehyde, and that they comply with permitted limits.

CAL TB 117-2013 - Determination of flammability resistance
