

Orlando Outdoor O2 series

Designed by Glismand & Rüdiger, Denmark

Orlando Outdoor O2 is a luxurious modular sofa that doesn't compromise on comfort or aesthetics, allowing you to relax and enjoy the warm days to the full. Handcrafted in Europe with durable materials, it features a fully removable cover that is easily cleaned. The comfortably padded back and seat cushions dry in just a few hours by allowing water to run directly through. Choose from our beautiful outdoor fabrics, developed with high abrasion resistance and light fastness, in a selection of calm colours. Add cushions for an inviting look and feel and protect your sofa with a waterproof cover during the winter months.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn't a label, it's a commitment in their design-work. It's something to be interpreted in contemporary and new ways, and something to be proudly honoured.
