

Swing series

Designed by Henrik Sørig Thomsen, Denmark

Swing is the dining chair for you if you love luxurious design classics. Handmade in Europe by skilled cabinetmakers in solid oak and veneer. A chair with a light and Scandinavian expression, with a beautiful curved backrest that provides good comfort.

Meet the designer

I am a passionate and dedicated designer. I simply love my job. I love working with design objects that supports our senses. The designs we surround ourselves with everyday, must be able to support our everyday lives. A good design help's you on a daily basis, without you ever thinking about it.

Test and certifications

FSC™ C165134 (Forest Stewardship Council) is an international organisation that advocates for responsible management of the world's forests. FSC-labelled products contain wood materials from forests that meet strict environmental, social and economic standards, helping to protect biodiversity, ecosystems and local communities.

The EU Ecolabel - DK/049/025 - is the official European ecolabel that aims to reduce the environmental impact of the product. The label guarantees that the product meets strict requirements for chemicals, resources and materials throughout its life cycle. This ensures that the product is designed to be dismantled and recycled. When a product carries the EU Ecolabel, it meets high environmental standards and is of high quality.

TSCA Title VI compliant
