

Visti series

Designed by Studio Nooi, Italy

An inviting armchair with a distinctive yet familiar style, inspired by the classics of Scandinavian mid-century design but with a decidedly contemporary twist. Soft and comfortable volumes float within the neat frame crafted in solid, FSC™-certified oak that features armrests with a flat top allows you to rest a drink, book or snack while relaxing and sitting back. The seat is constructed for maximum comfort in durable, moulded furniture foam. Designed by Italian Studio Nooi.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
