

Ambra pendant

dauidpompa

Ambra pendant's timeless geometrical form speaks to us about architecture. Characterful and with strong lines, it is simply shaped and elegant. The proportions play with gravity, overlapping both materials.

It becomes the centre of attention in any space with its warm and vibrant light. Poetic in its several visual levels, capable of creating a beautiful tone on its own or a melodic constellation of several tones when used as a chandelier. Unquestionable rich aesthetic of brushed copper and stunning volcanic rock texture that becomes a sculpture of light.
