

Trufa wall

davidpompa

A wall lamp made from recycled glass that plays with contrast and geometric forms to project a warm, multidimensional light. Available in two finishes, transparent and sandblasted glass, it creates unique atmospheres. Handcrafted, it transforms bottles into textured surfaces with encapsulated air bubbles, paired with high-end coated metal. A statement piece on its own, it bathes the wall and surrounding space in light

VS0051W

VS0051W-bl

Code SKU	VS0051W VS0051W-bl
Handcrafted in	Mexico
Size	Ø19 x 14cm
Weight	2,5kg
Packaging	38 x 41 x 24cm 3,8kg
