

## Bowie series

Designed by Skrivo, Italy

---

The Bowie dining chair is made for those long dinners where the conversation lingers and no one's in a rush to leave. A natural extension of the Bowie series, the chair carries the same design DNA. Fully moulded with high-quality foam, the chair offers a soft yet supportive seat. Designed with a changeable cover, it's easy to clean and lets you refresh the look over time. Crafted from FSC™ certified solid oak, the design features a frame that flows effortlessly from the legs through the armrests and around the backrest, giving the chair a light and sculptural feel. The Bowie dining chair values both comfort and craftsmanship – making it a perfect fit around the dining table, in the meeting room, or in a creative workspace.

### Meet the designer

Skrivo blev grundlagt af den industrielle designer Stefan Krivokapic, som har kroatisk/irske rødder. Takket være sin multikulturelle baggrund blander han forskellige kulturelle tilgange, historier, værdier og materialer for at skabe interessante og innovative designs. I hvert enkelt projekt tager han udgangspunkt i et materiale eller en håndværksteknik for at skabe stimulerende og tidløse løsninger. Han fokuserer på de tilgængelige produktionsmetoder samt undersøger innovative materialer for at udvikle produkter, der rammer en balance mellem funktion og æstetik.
