

Eida series

Designed by Martin Lauritsen,

The Eida dining table invites long evenings filled with conversation, laughter, and shared moments. The design is FSC™-certified and crafted from solid oak. The base is available in dark oiled, white pigmented, or oiled finishes, while the tabletop can be chosen in solid oak, brown or beige marble, or travertine, allowing you to design a table that suits your home perfectly. With clean, architectural lines and generous proportions, Eida balances elegance and warmth, creating a welcoming space where friends and family naturally gather. Whether you choose your dining table in rectangular, square, or round form, it transforms every meal into a memorable occasion.

Meet the designer

According to industrial designer Martin Lauritsen, a designer's most important task is to develop durable products. High-quality products that last for generations. In addition to creating value and joy in our everyday lives. "Good design is like good music. Both can create positive moods and emotions through their melodies, rhythm, shape, colour, materials and more. I find the emotional qualities that aesthetics can create very interesting, and this is a driving force in my design process, just as much as creating good functional solutions."

Table top, Solid, Oak, Quercus robur, Croatia / Connector plate, Composite, MDF / Column, Solid, Oak, Quercus robur, Croatia / Construction, Solid, Oak, Quercus robur, Croatia	114.40 kg	5827003	The parcel's measurements 1: 0.22 m3, 77.87 kg (D 53.0 cm, W 53.0 cm, H 78.0 cm)) The parcel's measurements 2: 0.24 m3, 44.86 kg (D 147.0 cm, W 147.0 cm, H 11.0 cm))		

Test and certifications

FSC™ C165134 (Forest Stewardship Council) is an international organisation that advocates for responsible management of the world's forests. FSC-labelled products contain wood materials from forests that meet strict environmental, social and economic standards, helping to protect biodiversity, ecosystems and local communities.

EN 15372 - L2: General use:Furniture. Strength, durability and safety. Requirements for non-domestic tables
