

## Eida series

Designed by Martin Lauritsen,

---

The Eida desk brings sculptural elegance and a calm presence to any workspace or dressing area – perfect for work, study, or getting ready. With its rounded base and clean architectural lines, Eida encourages focus and creative flow, while it can also serve beautifully as a dressing table. The design is FSC™-certified and crafted from solid oak, and comes in dark oiled, white pigmented, or oiled finishes, each revealing the wood's unique story. Choose a tabletop in brown or beige marble, travertine, or matching oak to tailor a desk of your dreams.

### Meet the designer

According to industrial designer Martin Lauritsen, a designer's most important task is to develop durable products. High-quality products that last for generations. In addition to creating value and joy in our everyday lives. "Good design is like good music. Both can create positive moods and emotions through their melodies, rhythm, shape, colour, materials and more. I find the emotional qualities that aesthetics can create very interesting, and this is a driving force in my design process, just as much as creating good functional solutions."

## Test and certifications

FSC™ C165134 (Forest Stewardship Council) is an international organisation that advocates for responsible management of the world's forests. FSC-labelled products contain wood materials from forests that meet strict environmental, social and economic standards, helping to protect biodiversity, ecosystems and local communities.

EN 15372 - L2: General use:Furniture. Strength, durability and safety. Requirements for non-domestic tables
