# Closer

## 1709

Design By Ichiro Iwasaki

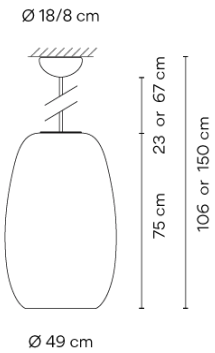

Closer combines texture, lightness and warmth in a luminaire that naturally connects indoor and outdoor spaces. Its slender structure and woven shade project a soft, enveloping light.

In a compact format with a rigid stem, it brings verticality and visual rhythm, ideal for covered corridors, linear compositions or corners seeking a serene, discreet light.

## Model Sheet

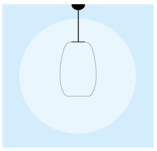

**Optional : Extra cable length**

| | |
|---|---|
| **Finish** | 25 Beige D1<br>test ral |
| | 56 Green D1<br>test ral |
| | 37 Terra Red<br>NCS S 4040-Y70R |
| **LED** | 2700 K |
